Pilax Plus includes:

Book 4x 30 min support sessions for one month, paid in addition to whichever paid membership you choose

Who it is for:

Programme Members only
Students needing that extra help but not a full private

Student benefit:

After first session, you will have a recording with you to refer back to and be able to build on this each session.

Personalised attention without the commitment of a 1-1 long session and twice the cost.

What a support session is:

30 min Zoom session to do any of the following:

- ask any questions about programme
- show me how you're exercising and
- get help on how to execute exercises specific to your situation

What a support session is not:

It is not a regular class with exercises.
You bring your issues to me and I help you through them.

Your cost:

\$200AUD (worth \$250) + whichever programme you have chosen
