Pilax Plus 1 Support includes:

Your program +
4x 30 min support sessions, paid in addition to whichever paid membership you choose

Who it is for:

Programme Members only
Students needing that extra help but not a full private

Student benefit:

After first session, you will have a recording with you to refer back to and be able to build on this each session.

Personalised attention without the commitment of a 1-1 long session and twice the cost.

What a support session is:

30 min Zoom session to do any of the following:

- ask any questions about programme
- show me how you're exercising and
- get help on how to execute exercises specific to your situation

What a support session is not:

It is not a regular class with exercises.
You bring your issues to me and I help you through them.

Your cost:

\$200AUD (worth \$250) + whichever programme you have chosen

Main Condition:

Use within 5 weeks of add-on purchase date
(not program purchase date)
e.g. you join Pilax OG 3 months. After month 1, you purchase the add-on. It must be used within 5 week after that add-on purchase date)

Pilax Plus 2: Small Group includes:

4x 50 min small group sessions for one month, paid alongside your 3-month membership

Who it is for:

Programme Members only, best for beginners

Students needing that extra help & exercise but not a full private

Student benefit:

Personalised attention without the commitment of a 1-1 long session and twice the cost.

A new group of friends to work with together online (maximum 6 students)

What a small group session is:

50 mins Zoom session exercise

Class is tailored to participant's level

(Online group classes are prebooked)

What a small group session is not:

It is not a long questionnaire session. We deal with executing the exercises as a group plus working the mechanics of them so you can be confident in your studio classes in the future.

Your cost:

\$120 + 3 month membership

Main Condition:

How to start obtaining Pilax Plus 1 Support Sessions:

1. Purchase your choice of Pilax OG or RiseUp
2. Whenever you're ready, email me directly that you'd like to book a support session and your ideal times or, do a free Book Me 15 min consult through your old emails, if you wish to discuss it further
3. I get back to you with times available.
4. We agree on at least 2 pre-set times.
5. If this works for you, please confirm within 3 days or sooner if booking is within a week and follow the steps sent to pay.
6. Once payment or proof of payment is received, your spot is secured.

Basic rules:

Can start any week, then continuous for the month (use 4 sessions inside 5 weeks)*.

example: Purchase 3 months and want to start 3 weeks in, programme will start from first session and run till 7th week. If you need to make up one class, that can be made up any time during the 3 months.*

How to start obtaining Plus 2 Small Group Sessions:

1. Purchase 3 months of Pilax OG. **If** you purchasing is contingent on starting small group sessions immediately, please contact me first to check times. Classes are run month to month in sets of four and you can join anytime in the first two weeks of a session. If you've never done Pilates before and have little to no exercise background, its essential for you to join at the beginning of a class set, you will not be allowed to join half way through.
2. Whenever you're ready, email me directly that you'd like to join a class session and I will let you know which sessions have space.
3. Select a time and please confirm within 3 days or sooner if booking is within a week by following the steps sent to pay.
4. Once payment or proof of payment is received, your spot is secured.

How to get started for Pilax Up 1:

1. Are you already signed up with PilaxOG? If so, please note this in your message, as the price will decrease. If not:
2. Whenever you're ready, flick me a quick email directly that you'd like to do a Pilax Up 1 program. Please include:
 - ✓ *Name / Age / History with exercise / Health: bio, physical, mental health that may impact your commitment to a program /Times likely available*
3. I get back to you with times available from your selection or alternative times if none available
4. *15 min phone call with me to see if program is right for you (no need if you've already done an initial discovery session and we've discussed this programme).*
5. We agree on at least 2 pre-set times.
6. If this works for you, please confirm within 3 days or sooner if booking is within a week and follow the steps to pay.

Conditions for Pilax Up 1

1. Privates to start from first or second week of access to online classes and finished within 6 weeks, maximum one use per week.*

2. In person sessions available in Newcastle, NSW only and incur \$10 surcharge per session

3. Access to Pilax pre-recorded videos will carry on past end of privates till end of 3 months. If you finish the privates and then repurchase them for example, in month 2, price will be \$1065.

If you join only the basic *Pilax* for 3 months, but decide to upgrade to *Pilax Up* at the end of your 3rd month, the price will remain at \$1100.

If you join *basic Pilax* only for 6 or 12 months, but wish to upgrade to *Pilax Up* during this time, the price may reduce depending on how long you still need access to the Pilax pre-recorded program for the duration of *Pilax Up*.

Pilax only accepts sign up for the private sessions of *Pilax Up* programmes on a month to month basis. This is for you to see how you go and in order to not over commit.
